

The Group Accidental Death and Dismemberment (AD&D) Insurance Plan for Institute of Management Accountants

ACCIDENTS DO HAPPEN

No one plans to have a serious accident, so when one happens the financial consequences can be devastating. The IMA AD&D Plan gives you broad accident coverage, 24 hours a day, worldwide. You're covered at home, at work, on vacation, on the road, for practically every activity. See the exclusions section for more information.

The plan's benefits are competitive. The rates are competitive¹. So sign up yourself and your family today. Choose a minimum of \$25,000 to a maximum of \$550,000 in increments of \$5,000. This is worldwide, 24-hour-a-day coverage that pays in addition to any other insurance you may have.

¹Cost of insurance rates are determined using methodologies that vary by company. These rates can vary and will generally increase with age. Rates for active employees may be different than those available to terminated or retired employees. It's important to look at all factors when evaluating the overall competitiveness of rates and the value of life insurance coverage.

²In general, death benefits are received income tax free.

- Ask for a medical exam
- Ask for blood and urine tests

- Reputation
- Driving record
- Finances
- Work and work history
- Hobbies and dangerous activities

The information may be kept by the consumer reporting agency and later given to others as permitted by law. The agency will give you a copy of the report it provides to us, if you ask the agency and can provide adequate identification.
